

## Project coordinator for branding and CSR related projects

---

FirstFarms is a Danish listed company with operations in Slovakia, the Czech Republic, Hungary, and Romania.

FirstFarms acquires and operates business in the area of agriculture and food products in Central Europe with a focus on the responsibility for the surrounding communities. FirstFarms develops the individual farms to more modern businesses that deliver the highest quality, primarily to the local food processing companies.

FirstFarms supports the development towards more sustainable agriculture, and we work every day on creating a more sustainable company.

### **Would you like to contribute to the development of our brand and our sustainability journey towards a more sustainable company? Then this position might be something for you**

This job will give the right person an interesting opportunity to be a part of a professional team with passionate colleagues. The company culture and ambitions provide the best conditions to apply your skills.

One of your key tasks will be the ongoing collaboration with our branches with the focus on Slovakia and Czech regarding the Branding and CSR work of the company. To support management in the implementation of local sustainability and brand initiatives, you will act as a liaison role between different departments in the local organisation and work independently as a new unit of our organisation.

### **You will perform the following tasks:**

- Supporting management in the development of farm sustainability and brand management plan based on the consumer demands, and legal requirements as EU Taxonomy and Common Agricultural Policy, and other
- Closely observing the subsidy programs from the EU and the possibilities for FirstFarms
- Collecting data and input to the groups ESG (CSR) reporting
- Monitoring trends in legislation and stakeholders' requirements within the area of sustainability
- Coordination/Management of the projects within the area of sustainability and branding
- Relationship Management with internal and external stakeholders (new partners)
- Exploration of market and product development possibilities

### **You have:**

- Knowledge of the retail market and consumer demands
- Experience working in procurement in B2C or B2B
- Experience or interest in working with CSR and sustainable development
- Good communication skills and you are fluent in English, both orally and in writing
- Project management skills
- Ability to work systematically and independently

**FirstFarms will offer:**

- Working in a listed agricultural company with ambitions
- Great impact on the framework of the job
- International environment
- Opportunities for development
- Salary 2,000 euro/month full-time employment
- Possibilities for part-time employment if desired
- Flexible working conditions (Home office combined with office in Malacky)
- Reference to project manager in HQ (Denmark)

**For job-specific enquiries**, please contact Project Manager, Inna Mitlytska, at +45 5037 3863 or e-mail: **[inm@firstfarms.com](mailto:inm@firstfarms.com)**.

**Please apply at your earliest convenience.** We do not have an application deadline but accept applications if the job is posted. We look at CVs during the posting period and also will invite for interviews in this period. The position will be closed once we have found the right candidate.

Please send your CV and application letter in English to **[info@firstfarms.com](mailto:info@firstfarms.com)**

We encourage that all candidates apply for job with us, regardless of age, gender, race, disability, religion or ethnic background. More about working at FirstFarms can be found at **<https://www.firstfarms.dk/en/career>**

We look forward to receiving your application!
